

Dedication Ceremony

You are cordially invited to attend and be part of a special Veterans Memorial Park of Jackson County Dedication Ceremony at 10:00AM, Saturday, May 25th (rain date June 1st). This ceremony is for everyone who is or was a veteran, who has or had a veteran in their family, and/or who are proud of the veterans you now know or have known.

During the short ceremony we will be dedicating the very recent installation of 5 beautiful black granite service monuments (one for each of the five branches of military service), a similar monument for our prisoners of war and missing in action as well as an impressive black granite honor wall listing the Jackson County residents (from World War I to the present) who made the supreme sacrifice for our country.

The Veterans Memorial Park is located at 1616 Heroes Drive, across the street from the Scottsboro Junior High School and next to the Veterans Home.

Please forward this invitation to anyone you think might appreciate this dedication.

If you have any special needs in order to attend, please give us a call and let us know. 256-999-0120
